

IMPORTANT YEAR END 2021 REMINDERS/INFORMATION

Take advantage of a simplified year-end process by opting out of receiving printed copies! *Contact your Payroll Specialist to go paperless!*

The end of 2021 is fast approaching. This time of the year is very busy and can be very stressful for everyone. We hope this year-end guide will be useful for you in preparing for the remainder of the year and overall readiness for W2s. **Please read this guide in its entirety to ensure you are aware of all deadlines and required responses.**

Important: Deadline for Employers Filing W2s and 1099s

W-2 and 1099 data is due to the Social Security Administration and IRS by January 31, 2022.

It's essential for businesses to be prepared as soon as possible in the months leading up to the due date. This means organizations will have to participate in advanced planning to ensure all documentation is submitted accurately and on time. We encourage human resources and payroll teams to begin planning now and **submit changes and year-end adjustments early**. Please pay close attention to timelines and important cut-off dates in our Year-End Guide.

CLIENT PROCESSING DEADLINES

Year End Deadlines

- **Holiday Week Processing** - AccuPay's holiday hours are included in this guide. Please note that processing deadlines will vary during holiday weeks. Next-business-day payroll submissions made after 10:00 a.m. EST cannot be guaranteed for direct deposit. Please send payroll data as early as possible on holiday weeks.
- **Bonuses and extra payrolls**. If you are paying bonuses or have any extra payrolls that need to be included in your 2021 W-2s, notify us by December 3, 2021 OR a minimum of two-weeks before the check date. Please plan to submit bonus payroll information to your processor a minimum of three days before the check date since these payrolls must be worked into the regularly scheduled runs.
- **Payroll Adjustments**. Make sure payroll adjustments (e.g., voided checks, manual checks) are done **before** your last payroll of 2021 is processed. Voiding checks/processing adjustments after a check date of 2022 will incur additional fees.
- **Year-End Adjustment Cut-off Date**: For adjustments processed after December 31, 2021, please remember that tax agencies may consider tax payments late and you (the employer) will be

responsible for penalties and interest that any agency may assess. All 2021 payroll adjustments must be processed by 5:00 pm ET on January 12, 2022. Any adjustments made after January 12, 2022 will result in W2c's for employees and additional fees will apply. Amended tax returns and year-end forms will not be processed until all original client returns have been completed. **We encourage you to process adjustments well in advance of January 12, 2022.**

- **Fringe Benefit adjustments.** Identify and schedule special payroll adjustments such as group term life, auto allowances and other fringe benefits. Because some of these fringe benefits require tax withholdings, they will need to be entered at the same time as a normal payroll run before the end of the year. (See applicable forms)

Reminder: Process year-end adjustments early. Do not wait until January!

***Important:** Payrolls processed in 2021 that have a **pay date of 2022** will show up as wages on the 2022 W-2! These wages will NOT be part of your 2021 YTD totals.*

Year End Maintenance Details

Audit

Please start auditing your employee records now – before the busy holiday season!

- **Please verify Social Security Number, name and address** for each employee (the name must be exactly as it appears on the employee's Social Security card). Keep in mind, ITIN's, (typically starting with "9") are not accepted by the SSA on the form W2 or the IRS on 1099 forms. You will likely receive a notice from the Social Security Administration and/or IRS if using an ITIN for year end reporting. AccuPay will not be liable for any penalties incurred for using an ITIN. For more information visit <https://www.irs.gov/businesses/small-businesses-self-employed/hiring-employees>
- For your convenience, AccuPay will provide you with a W2 Verification report. Isolved users may run this report as follows: **Reports > Client Reports > Employee W2 Verification > Run report.** **Kronos/UKG users may create a report from the My Team > Employee Information screen. Be sure to check employees who terminated during 2021. Ask your Payroll Specialist for Assistance.**
- Any updates to name, Social Security Numbers or addresses should be made in the system or sent to your Payroll Specialist immediately and no later than December 3, 2021. Access your employee records and make corrections in iSolved as follows:
Employee Management > Employee Maintenance > General.

W-4's

Send a reminder to your employees regarding submitting a new W-4 for 2022. Employees who are currently claiming **exempt** from withholding must submit a new form W-4 by February 15, 2022 to maintain that status. Employers are required to begin withholding federal tax for those employees who fail to provide a new W-4 by that date. Also, any employees who have experienced a life event may need to submit a new W-4 due to the change in claim dependents.

Employer Portion of Healthcare

The Affordable Care Act mandates that certain employers must report the cost of employer-provided health care coverage on Forms W-2.

- **Reporting is mandatory for employers who filed 250 or more Forms W-2 in the previous year.**
- The amount reported should include both the portion paid by the employer and the portion paid by the employee.
- Please contact your Payroll Specialist to discuss the entry of the employer portion of the health insurance premium.
- **It is your responsibility to preview your W2s and verify the amounts in Box 12 DD prior to printing W2s. Review W2s prior to January 5, 2022 and contact your Payroll Specialist for changes you need made. Additional fees will be charged if you fail to report changes that result in reprinting of W-2s**

Tax Rate Change Notifications

IRS and State Notifications for 2022

Unemployment rates and tax filing frequencies are mailed to the taxpayer, and it is imperative these tax-related communications are forwarded to AccuPay immediately. We require this information in order to ensure your taxes are paid accurately and timely in 2022.

- Please note: **Late tax payments result in interest and penalty charges.** If your federal or state tax filing frequency is changed and you don't notify us, we will not be responsible for any penalties or interest that may be charged. Likewise, AccuPay will not be responsible for penalties if additional tax is due because of an undisclosed tax rate increase.

Year-End Payrolls and Adjustments

Bonus Payrolls

If you are paying bonuses, please notify us by December 3, OR a minimum of two weeks prior to the check date. Please keep in mind that you have many options when running bonus payrolls to consider:

- Blocking Direct Deposit
- Blocking Deductions
- Supplemental Tax Rates
- Gross up

Fringe Benefits Adjustments

If you need to report any Fringe Benefits, **please notify us by December 3, 2021 by returning the Year End Questionnaire and applicable forms.** Identify those benefits that need reporting and schedule the special payroll if needed. It is important to remember, that some of these adjustments require tax withholding and they will need to be entered at the same time as a normal payroll run before the end of the year.

Manual and Void Checks

Important: Make sure that all pending 2021 Manual and/or Void checks are processed before any 2022 payrolls are processed.

Third Party Sick Pay

Important: Determine if you have Third Party Sick Pay information that must be reported for 2021. This will need to be completed before you run a 2022 payroll. **Notify us by December 3, 2021 if you won't receive the necessary information in time. Please be aware we will print all W2s unless notified to place them on hold. Also be aware that notifying us of late third-party sick pay received after January 12 will NOT eliminate the applicable fees for processing late adjustments. Please contact your provider and request the information in**

advance of our Year-End Adjustment cut-off dates. As stated above, additional fees will apply for late processing.

Remember, last day to report adjustments is January 12, 2022. Any adjustments made after January 12, 2022 will become a W2-c and fees will be incurred!

W-2's/1099's/1095-C's

W-2 Forms

With the understanding that all Year-End processing deadlines have been met and you have reported all necessary information, W-2's will be processed and delivered by January 31, 2022. **Unless previous arrangements have been made, we will be printing and shipping all W-2 forms to your primary address. Contact your Payroll Specialist about paperless options or to change delivery options from previous years.**

1099 Forms

Please fill out the attached Year End Questionnaire if you are requesting AccuPay to print 1099 forms for 2021. This must be returned no later than December 3, 2021.

1095-C Forms

If you have more than 50 full-time equivalent employees, you are considered an Applicable Large Employer (ALE) and subject to Affordable Care Act reporting. (If you aren't sure, contact your Payroll Specialist!) If you are an ALE and AccuPay did NOT complete your ACA forms/filing last year, you must contact your Payroll Specialist as soon as possible, but no later than December 3. ACA reporting requires a separate set-up and fees from regular payroll processing. Contact your Payroll Specialist for more information. Likewise, if AccuPay did process your ACA reporting for 2020, and you have made other arrangements for 2021, please let your Payroll Specialist know as soon as possible.

Please keep in mind that the accuracy of all data reported on forms 1094-C and 1095-C is the responsibility of the employer, and must be verified before forms will be printed. Corrections required due to errors on the original form submission may incur additional fees. The AccuPay ACA team is happy to assist employers in reviewing forms to prevent filing errors. Please ask for assistance if you have any questions.

Unless previous arrangements have been made, we will be printing and shipping all 1095-C forms to your primary address. Contact your Payroll Specialist about paperless options or to change delivery options from previous years.

W-2 Forms and 1099 forms will be available for viewing and printing online by January 21, 2022.

**“S” Corporation Employers
Issues Affecting Your 2% or More Shareholder-Employees for 2021**

An “S” corporation’s cost of health or long-term care insurance premiums paid on behalf of its 2% or more shareholder-employees is treated as Form W-2 taxable income to the 2% or more shareholder-employees (Note - it’s tax-deductible as compensation to the “S” corporation). Recent IRS announcements require that the “S” corporation either directly pay the insurance premiums or reimburse the shareholder-employee for personally paid premiums, in order to save income taxes by deducting the health insurance premiums. The insurance amounts will be “W-2 reported” as wages subject to income tax but not subject to FICA/Medicare taxes.

If your Company provided health or long-term care insurance coverage to employees who also owned 2% or more of your stock in 2021, please complete the following information and submit it to us as soon as possible for payroll processing:

Name of 2% or More Shareholder-Employee	“S” Corporation Insurance Premiums Paid During 2021	
	Health, Dental, Vision, Medicare Insurance Premiums	Long-Term Care Insurance Premiums

Important Note - Please provide us this information BEFORE December 3rd a minimum of two weeks prior to your last payroll of 2021, so we can prepare accurate shareholder-employee W-2 forms. * Additional fees will be applied if information is provided after 12/20/2021.**

ADVISORY NOTE: Make sure all 2021 health insurance premiums (including Medicare premiums paid from social security benefits) are paid/reimbursed by 12/31/21.

**Employer Retirement Plan Information
For Calendar Year 2021
Planning For 2022 Funding By Employees**

Form W-2 requires that we check certain boxes to identify which of your employees were “active participants” in retirement plans during 2021. “Active participation” implies that an employee received an economic benefit (contributions, plan allocations, etc.) from a retirement plan during 2021. **Accurate presentation of this information is important since it affects your employees’ eligibility for tax-deductible IRA’s on their 2021 personal income tax returns. Review your 2021 W-2 Verification Report to see if employees are classified correctly and notify AccuPay of any changes.**

Please check all of the following types of retirement plans you sponsored during 2021 which included employer contributions for the benefit of employees:

- Defined benefit or cash balance pension plan with calculations made by an actuary;
- SEP-IRA plan;
- Profit-Sharing plan;
- Money Purchase Pension Plan;
- SIMPLE plan which involved employer contributions;
- SARSEP plan which involved employer contributions;
- 401(K) plan which involved employer contributions;
- 403(b) plan which involved employer contributions.

NOTE - Provide us a listing of all employees for whom your company made 2021 employer contributions or who otherwise benefited from a retirement plan during 2021 (i.e., perhaps their only benefit was an allocation of 2021 retirement plan income). We will check boxes for only those employees who “actively participated” in retirement plans during 2021.

IMPORTANT! PLANNING FOR 2022 FUNDING BY EMPLOYEES

Please let us know which employees you want us to calculate and withhold the maximum 2022 retirement plan funding for any of the following plans:

Type of Plan	MAXIMUM 2022 EMPLOYEE FUNDING	
	Under Age 50	At Least 50 by 12/31/22
401(k) and 403(b) retirement plans	\$ 20,500	\$ 27,000
SIMPLE-IRA retirement plan	\$ 14,000	\$ 17,000

Authorization for Electronic Year-End Reports/Forms

AccuPay is excited to offer a “greener” year-end starting in 2021. While electronic W-2’s and reports have long been available to AccuPay clients, the IRS requires employees to consent to “electronic only” copies before ceasing to provide a paper form. By signing below, you are authorizing AccuPay to provide these consent forms to your employees via Employee Self Service. The employee will see this consent the next time they log in. AccuPay will only print W-2’s for employees who do NOT consent to electronic forms. In addition, all year-end tax returns/reports will be paperless and available in the payroll software for viewing, downloading or printing by your system administrator(s) per your company’s user settings. Please note that consent will apply to ALL year end forms an employee may receive – W-2, 1099, and 1095-C.

If you do not currently utilize Employee Self-Service for your employees, this must be set-up prior to initiating the consent. Contact your Payroll Specialist for more information as soon as possible. An email address for every employee is required to use Employee Self-Service.

To activate this service, please complete and submit the form below to your Payroll Specialist or payroll@accupay.com as soon as possible but no later than December 3, 2021.

I understand and agree that paper year-end forms, including W-2, 1099, and/or 1095-C, will not be produced for the tax year 2021 forward for any employees who consent to electronic-only copies unless they withdrawal consent. I authorize AccuPay to activate the online consent form for my employees, and understand that AccuPay will only produce paper copies of forms for employees who do not consent. I understand that it is ultimately my responsibility, as the employer, to ensure all employees receive year-end forms timely and will not hold AccuPay liable should employees not be able to access the electronic copies due to Internet issues, user error, or other issue beyond AccuPay’s control. I understand that I will have access to electronic copies of all year-end forms and agree to print or otherwise provide any necessary copies to employees who are unable to obtain them online. Furthermore, I understand that all future quarterly tax reports will be provided in electronic form within the payroll system and will no longer be mailed or couriered.

Please enroll my company in Employee Self-Service. I understand I must provide email addresses for all employees.
