**(b)** Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**  
**(c)** If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

**TIP:** If you have self-employment income, see page 2.

**Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs.** Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

## General Instructions

### Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

**Your privacy.** If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$27,700 if you're married filing jointly or a qualifying surviving spouse; \$20,800 if you're head of household; \$13,850 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

## Instructions for Completing Form WH-4

This form should be completed by all resident and nonresident employees having income subject to Indiana state and/or county income tax.

Print or type your full name, Social Security number or ITIN and home address. Enter your Indiana county of residence and county of principal employment as of January 1 of the current year. If you neither lived nor worked in Indiana on January 1 of the current year, enter 'not applicable' on the line(s). If you move to (or work in) another county after January 1, your county status will not change until the next calendar year. Please check the box if you are requesting a change to a county of residence or work for the next calendar year.

**Nonresident alien limitation.** A nonresident alien is allowed to claim only one exemption for withholding tax purposes. If you are a nonresident alien, enter "1" on line 1, then skip to line 7. You are considered to be a nonresident alien if you are not a citizen of the United States and do not meet the green card test and the substantial presence test (get Publication 519 from [www.irs.gov](http://www.irs.gov) for information about these tests).

All other employees should complete lines 1 through 7.

Lines 1 & 2 - You are allowed to claim one exemption for yourself and one for your spouse (if he/she does not claim the exemption for him/herself). If a parent or legal guardian claims you on their federal tax return, you may still claim an exemption for yourself for Indiana purposes. You cannot claim more than the correct number of exemptions; however, you are permitted to claim a lesser number of exemptions if you wish additional withholding to be deducted.

Line 3 - Dependent Exemptions: You are allowed one exemption for each of your dependents based on state guidelines. To qualify as your dependent, a person must receive more than one-half of his/her support from you for the tax year and must have less than \$4,400 gross income during the tax year (unless the person is your child and either (1) is under age 19 or (2) is under age 24 and a full-time student at a qualified educational institution during at least 5 months of the tax year).

Line 4 - Additional Exemptions. You are also allowed one exemption each for you and/or your spouse if either is 65 or older and/or blind.

Line 5 - Add the total of exemptions claimed on lines 1, 2, 3, and 4. Enter the total in the box provided.

Line 6 - Additional Dependent Exemptions. An additional exemption is allowed for certain dependent children that are included on line 3. The dependent child must be a son, stepson, daughter, stepdaughter, foster child, and/or child for whom you are a legal guardian. The dependent must be under age 19 or must be both under age 24 and a full-time student at a qualified educational institution during at least 5 months of the taxable year.

Line 7 - First-time Claimed Additional Exemption. If an additional dependent exemption on Line 6 is being claimed for one or more children for the first time, enter the number of children for whom you are claiming. This exemption is good only for the calendar year in which the WH-4 claiming the exemption is submitted. If you claim this in multiple tax years, you **MUST** submit a new WH-4 each year for which this exemption is claimed. Do not claim this exemption if the child was eligible for the additional dependent exemption in any previous year, regardless of whether the exemption was claimed. This includes instances where the child was eligible for the additional dependent exemption before 2023. This also includes instances where the child was eligible to be claimed for the additional dependent exemption by another individual.

Line 8 - Additional Adopted Dependent Exemptions. An additional exemption is allowed for certain dependent children that are included on lines 3 and 6 and have been adopted by you or your spouse. The dependent child must be a son, stepson, daughter, or stepdaughter. The dependent must be under age 19 or must be both under age 24 and a full-time student at a qualified educational institution during at least 5 months of the taxable year.

Lines 9 & 10 - If you would like an additional amount to be withheld from your wages each pay period, enter the amount on the line provided. **NOTE:** An entry on this line does not obligate your employer to withhold the amount. You are still liable for any additional taxes due at the end of the tax year. If the employer does withhold the additional amount, it should be submitted along with the regular state and county tax withholding.

You may file a new Form WH-4 at any time if the number of exemptions **increases**. You must file a new Form WH-4 within 10 days if the number of exemptions previously claimed by you **decreases** for any of the following reasons:

- (a) you divorce (or are legally separated from) your spouse for whom you have been claiming an exemption or your spouse claims him/herself on a separate Form WH-4;
- (b) someone else takes over the support of a dependent you claim or you no longer provide more than one-half of the person's support for the tax year; or
- (c) a dependent no longer qualifies for an additional dependent or an adopted dependent exemption.

Penalties are imposed for willingly supplying false information or information which would reduce the withholding exemption.
